But first of all she must make sure that it led to safety. It was not full daylight outside; beyond the wall there appeared to be, not open space, but another confined chamber. Supposing she climbed up and got through, how far would she have to drop to reach the ground on the other side and what if she should find herself only in another place from which escape would be no easier than from the pit To stand on one foot was fatiguing, and Tommy had to sit down and rest for a little. She had now recovered from her panic, and was ready to bend all her young wits upon the problem of escape. Presently a means occurred to her of discovering at least whether it would be safe for her to make an attempt to clamber through the aperture. She felt along the floor for a piece of rock, and standing up again, dropped it over the ledge. In an instant there came a faint thud, and immediately afterwards a great whirring and screaming....
