

## Winnie's Midnight Dragon

Filesize: 2 MB

### ***Reviews***

*Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Oxford University Press. Mixed media product. Book Condition: new. BRAND NEW, Winnie's Midnight Dragon, Valerie Thomas, Korky Paul, It's just after midnight. Winnie has gone to bed and is snoring peacefully when Wilbur is woken by a strange noise. He goes downstairs to investigate and, to his horror, discovers a baby dragon squeezing through his cat-flap! Wilbur is not impressed by the scaly visitor, especially when it starts chasing him around Winnie's house. But the baby dragon just wants to play and, in his exuberance, manages to topple a grandfather clock and knock over a suit of armour. All the clattering wakes Winnie and she's not happy about a baby dragon in her house, either. After all, there are puffs of smoke coming out of his nose and he might start a fire. So Winnie uses a little magic to turn the smoke into a cloud of butterflies. This makes Wilbur feel better, he loves chasing butterflies! So now Winnie has a baby dragon and a cat who just want to play whereas she just wants to sleep! Winnie decides she's had enough of babysitting a dragon and goes onto the roof to look for his mother. But how will she catch the attention of a mother dragon flying past? By conjuring a full moon over her house! So with mother and baby dragon reunited, Winnie and Wilbur can finally settle down for an overdue good night's sleep. This story is full of noisy antics: clanging clocks, clattering armour, crashing crockery and the sound of dragon wings beating are just some of the wonderful additions to the narration of Winnie's Midnight Dragon on the accompanying audio CD.
