Brand New Book ***** Print on Demand *****.A collection of poetry and short stories that journal the walk and journey of a new Christ follower. While most of the stories contain fictional characters, the lessons learned and ideas generated were as real as the warmth of the sunshine. About this book For a list of poems sorted by topic turn to page 441 This book is arranged a bit differently than most books. Every poem, short story and reflection is annotated with the actual date it was written and presented in date order. It is a chronological journal of one young man s struggle to find his own identity in Christ in the midst of a troubled and confused life. This journal is like a book of psalms. Most are raw and real expressions of my inner most thoughts, even the more colorful and less Godly thoughts. You will see the deepest darkest moments in my life right along side the brightest glimmers of hope that faith has given me. You will also see completely fictional stories and poems of things I have never experienced personally, but witnessed in different ways such as being drunk, spousal abuse and marital infidelity. Although they are written in first person, they are totally fictional. You can identify fiction pieces by checking the page number against the topical guide on page 441. In the earliest pages you will find poetry from my teen years, before the days when I became a committed believer. As time goes on, you will read of changes in attitude, positions of faith, painful relationships, my 20 year struggle with sexual addiction and the beginning of the light that Christ brings to every...
