Reviews

It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.180 pages of prose poetry and a play; Puff Puff explores a myriad of different struggles. As writers, we cast our dull hand grenades into the muffling dark. Why print and not web? Because we are new age luddites, scrawling stories in charcoal pens, and writing soliloquies in small sonnet rooms. If I had a typewriter I would use it. Hell, if I had a press I would bind homemade paper together with forget-me-nots. But now, people only read webzines and online articles of short columns that they are comfortable with. It takes a thousand webzines to get the notice that any one mid-grade porn site can expect. We have all become anonymous scrolling down pages, across realistic...
