

Feeding Frenzy: The New Politics of Food

Filesize: 4.12 MB

Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Michael Spinka)

FEEDING FRENZY: THE NEW POLITICS OF FOOD

[DOWNLOAD](#)

Profile Books Ltd. Paperback. Book Condition: new. BRAND NEW, Feeding Frenzy: The New Politics of Food, Paul McMahon, This subject is as big as they come: the world's food supply. Written for a popular audience, Feeding Frenzy traces the history of the global food system and reveals the underlying causes of recent food shortages and price spikes - what the media has labelled a 'world food crisis'. As the tectonic plates of the world food system shift, forces are being unleashed that threaten the security of billions. Food-producing countries are banning exports to benefit their own citizens, even if this means that other countries starve. Most worryingly, they are acquiring huge areas of under-utilised farmland in poorest countries to grow crops for export, often at the expense of local communities. Some of the trends identified in this book are unstoppable. But McMahon also outlines actions that can be taken to lower the risks of conflict and to produce fairer outcomes. It is possible to envisage a more benign scenario, associated with a shift to a sustainable and productive form of agriculture. Which path will the world choose?.
