*****.Are you preparing for the Licensure Examination? Did

you just pass your Medical Terminology class? Are you a semi

retired healthcare professional? Or you are a patient who is

interested in understanding medical terminologies? Healthcare

is a part of our daily lives. Sickness and death occur on a daily

basis. Because of these occurrences, healthcare professionals

are now situated across the globe. The demand for their

services are so dynamic that healthcare technology is

expanding, and so is the level of competency. Don t be left

behind. Review and refresh your medical terminology skills

including abbreviations and laboratory values. Changes have

occurred since the time you finished your Med Term class. For

patients who want to be well informed about their health

condition, this is a good book for referencing the healthcare

terminologies. This book is designed to review the competency

of healthcare professionals in relation to medical

terminologies. Tests are located at the end of every chapter.

The chapters in this book are: Chapter 1 Elements of A Medical

Terminology Chapter 2 Prefixes Chapter...
