Brand New Book ***** Print on Demand *****.Army Tactics, Techniques, and Procedures (ATTP) 3-37.31 is the Army's doctrinal publication for mitigating civilian casualties (CIVCASs). The purpose is to provide doctrinal guidance for minimizing CIVCAS incidents and managing their consequences. The focus is on guiding Army leaders conducting operations involving armed conflict. This ATTP is organized into two chapters and two appendixes. Chapter 1 discusses the foundations of CIVCAS mitigation, including its purpose, key definitions, legal authorities, the significance of protecting civilians from armed conflict, application of the mission command philosophy to CIVCAS mitigation, and considerations for mission analysis. Chapter 2 expands on the Army's integrated approach to CIVCAS mitigation by introducing a CIVCAS mitigation cycle-prepare, plan, employ, assess, respond, and learn-that integrates with other Army processes and ensures effective mitigation. Appendix A discusses nonlethal capabilities. Appendix B provides detailed guidance for preparing reports and conducting investigations. The proponent has made every effort to ensure Army CIVCAS mitigation doctrine is consistent with appropriate laws, policies, regulations, and directives of the federal government, Department of Defense, and Department of the Army. In any case where...

Reviews

This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.
