

Organic Soul (Paperback)

By Christopher Taft Kenyon

AUTHORHOUSE, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.There is an essential element of nature which defies reason, logic, or science. An element which emanates from my experiences living in the majestic hills and valleys of Vermont's Green Mountains. A calling, if it were, where the working land speaks, and the wind sings, and the ever changing skies dazzle our sight with amazing color and clarity. Only when one captures the breath, the life, and the feeling of such a place which has inspired many generations by its breathtaking beauty, abundant freshness, and pastoral beckoning can one begin to understand this element. From this element one can achieve valuable insight into more than the heart and mind of a writer, but also partake in a richer part of the fabric of life woven across fields, and lakes, and mountains always changing with the seasons. I simply share with the reader a love for poetry mostly presented in classical English sonnet style. Further inspiration for this work will consider the role that nature plays in creating the essential element to define our life and time. I...

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
