

The Two Fundamental Problems of Ethics

Filesize: 5.46 MB

Reviews

Basically no words to clarify. Of course, it is perform, still an amazing and interesting literature. Its been printed in an exceptionally basic way which is only soon after i finished reading through this ebook where actually altered me, change the way i really believe.

(Newton Runolfsson)

THE TWO FUNDAMENTAL PROBLEMS OF ETHICS

[DOWNLOAD](#)

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, The Two Fundamental Problems of Ethics, Arthur Schopenhauer, David Cartwright, Edward E. Erdmann, 'my philosophy is like Thebes with a hundred gates: one can enter from all sides and through each gate arrive at the direct path to the centre' Schopenhauer's two essays *On the Freedom of the Will* and *On the Basis of Morals* form his complete system of ethics. Their doctrines, continuous with those in his major work *The World as Will and Representation*, are presented here in more accessible, self-contained form. Schopenhauer argues, in uniquely powerful prose, that self-consciousness gives the illusion of freedom and that human actions are determined, but that we rightly feel guilt because our actions issue from our essential individual character. He locates moral value in the virtues of loving kindness and voluntary justice that spring from the fundamental incentive of compassion. Morality's basis is ultimately metaphysical, resting on an intuitive identification of the self with all other striving and suffering beings. These essays, newly translated here with an introduction and notes, contain a critique of Kant's ethics, and advance a position that was in turn the target of criticism by Nietzsche. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
