BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. For years, Adam Canfield has been the number-one star reporter for the Harris Elementary/Middle School paper, the Slash. Nowadays he s also the most overprogrammed kid in America. Gladiator quiz bowl, jazz band, statewide test prep class he s always running somewhere, and nine times out of ten, running late. When does a guy get time to just shoot some baskets anymore? Then his friend Jennifer talks him into being co-editor of the Slash. Between supervising know-it-all cub reporters and arguing with Principal Marris about which articles will propel the Good Ship Harris forward, Adam worries he might lose it altogether. But then a third grader delivers a scoop bigger than any of Adam s career, and only Adam can dig deep enough to crack through a cover-up that will rock the very foundations of Harris itself. From Pulitzer Prize-winning New York Times columnist Michael Winerip, here is a first novel that delivers the rush of the newsroom, the adrenaline of a reporter on the trail of a hot story, and some keen insights into human nature all with a lot of laughs.
