Kluwer Law International, Netherlands, 1996. Hardback. Book Condition: New. 230 x 156 mm. Language: English . Brand New Book. As broadcasting systems are transformed - both in societies making a post-communist transition and in the rest of Europe and the United States - opportunities for access are frequently put forward and debated. But little is done to analyze what is meant by access and how the concept fits into a theoretical framework. Access issues proliferate, not only from the new...
