Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Four hundred light years from Earth the android crew of the space craft Endeavor labor to carry out their mission to establish human life on a strange tranquil planet where predators have vanished and enormous majestic hexapods rule. The discovery of an ancient alien ship and its hideous cargo spurs farther exploration of the neighboring star systems in the quest to find human ancestors and the source of exotic materials. Tranquillious not only explores the cosmos but the complex relationships that develop between biological and mechanical life and how together they deal with impending catastrophe in a star system from another universe where the laws of physics no longer apply. I invite you to come along and follow their trials and triumphs as they grapple with alien technology and engage with creatures both strange and familiar.
