By Patience Griffin

Penguin Putnam Inc, United States, 2015. Paperback. Book Condition: New. 170 x 104 mm. Language: English . Brand New Book. The newest romance in the charming Kilts and Quilts series from Patience Griffin, author of Meet Me in Scotland. Christmas in the small village of Gandiegow brings holiday cheer and a chance for love between two strangers When her father is injured in an accident, Edinburgh engineer Pippa McDonnell comes home to Gandiegow to take over the family business, the North Sea Valve Company. Now she's working overtime trying to fix NSV's finances and find the cash to get her father proper medical care. One possibility is to accept a partnership with MTech, an American firm desperate to get their hands on her dad's innovative valve design. He was against bringing in outsiders, but Pippa is desperate enough to at least listen to MTech's charming representative Max McKinley. As Christmas approaches and with the help of Gandiegow's meddling quilters, Pippa and Max slowly find themselves attracted to each other. Max seems honorable, but is he there to steal the valve design or Pippa's heart?.

This publication will not be simple to get started on looking at but quite entertaining to learn. It generally fails to cost an excessive amount of. You will not feel monotony at anytime of your time (that's what catalogues are for about if you ask me).
