When a little below Golconda ware over a little to the right, but keep rather nearest to the bar on the left above the I Second Sister Island This island lies near the middle of the river, channel to the right of it. When nearly opposite the head of the island go in within 100 yards of the right shore, towards a small clearing and a house standing back from the river a small distance, keep down the right shore to the false point a little above the Third Sister Island This is a small island standing in the middle of the river with a towhead on the left of it. Channel to the right. You begin to leave the right shore at the above mentioned false point, then ware out to the left, as if you were going to the left of the Third Sister; but when you are within 100 yards of the head of said island, turn square in to the right of the island, give the island a good berth, and pass to the right of the rock dam, by going short in to the right shore, above the middle bar, keep down this shore 200 yards, then wfcar out gradually, near one third of the river, and fall in to the right shore at the rocks. Stewart s Island, Lies near the middle of the river. Channel to the left, near...
