Reviews

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.

(Rene Olson)

LATE NIGHT THOUGHTS ON LISTENING TO MAHLER'S "NINTH SYMPHONY"

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, Late Night Thoughts on Listening to Mahler's "Ninth Symphony", Lewis Thomas, This magnificent collection of essays by scientist and National Book Award-winning writer Lewis Thomas remains startlingly relevant for today's world. Luminous, witty, and provocative, the essays address such topics as "The Attic of the Brain, " "Falsity and Failure, " "Altruism, " and the effects of the federal government's virtual abandonment of support for basic scientific research will have on medicine and science. Profoundly and powerfully, Thomas questions the folly of nuclear weaponry, showing that t brainpower and money spent on this endeavor are needed much more urgently for the basic science we have abandoned--and that even medicine's most advanced procedures would be useless or insufficient in the face of the smallest nuclear detonation. And in the title essay, he addresses himself with terrifying poignancy to the question of what it is like to be young in the nuclear age.
