She lived in a lovely home surrounded by affluent intellectuals, had a successful husband, and two phenomenal teenage boys. With the ring of a doorbell she finds her life substituted by one where she has to fight for her children against an evil she never knew existed and had been sleeping next to for the last twenty years. When Clarissa s X shows his true colors, she finds she must become a strong woman who cannot only grow prize-winning flowers but can place a devastating roundhouse kick. Teaming up with Bryce Brightman, an ex-FBI agent, she uncovers a woman whose only goal is to save her children. This story is about what a woman can do when she put her brains, her brawn, and her boots into changing the course of her life and protecting the ones she loves.
