The Spaniards would no doubt be asleep in the inner room, and, suddenly disturbed from their slumbers, they might be expected to hesitate before attacking five well-armed men who stood guard over their muskets. It was scarcely likely that more than one or two would at this dead hour of night be in the outer room where the light was, and Copstone and his men might be safely trusted to account for them. You must give us a minute, Tom, said Amos, seeing that we have the greater way to go. Ay, indeed, said Dennis, our entrances should fall together. You know the way, Amos Ay, sure, and have good reason to. Well, then, Copstone will wait until we have had time to reach the tower, then he will perform his part. This conversation had passed...

*Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
